

NANUM FOR CARE HOMES · RESIDENTIAL, DEMENTIA & NURSING

Your whole care home, in one place. Every resident. Every shift.

Care records, medication, rotas, rooms and fees — built for care homes.

THE SMALLEST DETAILS MATTER

Every detail of care, made easy.

Care plans & records

Every resident's needs, reviewed.

eMAR rounds

Rounds by unit, PRN and body map.

Staff rota

Days, nights and cover, checked.

Rooms & occupancy

Every room and stay at a glance.

Charts & notes

Fluids, food, repositioning, notes.

Family updates

Families kept close to loved ones.

3
MONTHS
FREE

Sign up at our stand today and your first three months of Nanum are on us.

📍 Stand M60 · Care Show Birmingham 2026

Built for the way your care home runs.

-  Charts on a schedule: fluids, food, repositioning
-  Daily notes, falls and incidents
-  Handover for every unit and shift

FAMILY & FEES

-  Family app with updates on their loved one
-  Fees by the night or week
-  Council, NHS and private payers
-  Export to your accounting package, e.g. Xero

YOUR DAY AS MANAGER

One screen for who's on, who's in, and what needs you.

1

Nanum fills the rota

Permanent staff within their contracted hours; bank staff are offered the rest.

2

You decide the rest

Overtime and agency always come to you, with the reason.

3

Every record, recorded

Care, medication and changes — with who did what, and when.

ALSO FROM NANUM

Also run domiciliary care? Nanum does that too. Only need billing? Nanum Lite: billing only. Keep your care system. Lose the billing headache.
